Navigating Your Electric Bill

**1. Total Amount Due:**
Summarizes total amount or budget amount due. Automatic payment would be indicated if you participate in that program.

**2. Your Account Information:**
Your billing date, account number, and meter number.

**3. Monthly Energy Use Comparison:**
Total energy use last month compared to this month and last year.

**4. Energy Usage History:**
Displays the cost and kWh each month for the past year.

**5. Important Member Information:**
Learn more about programs, services, notices, and events.

**6. Payment Stub:**
If you are mailing your payment, detach this portion and mail with your check.

**DO NOT PAY**

Built by the Communities We Serve
### Account Information:
Account number, service address, meter #, rate, dates of service, readings, # of days of service, meter multiplier, and usage.

### Account Activity:
Previous balance, payments received, balance before current charges, and total amount due.

### Usage History Graph:
Compares usage for year with average temperature.

### Communication From Your Cooperative:
Read important messages about programs, services, notices, and events.

---

**Celebrate National Cooperative Month**
Barron Electric Cooperative will return nearly $600,000 in Cashback Credits, also known as Capital Credits, during October. Over 12,000 current and former members will receive a check this month.

Thank you for being a member!

**DRIVE ELECTRIC**

Did you know the average electric vehicle can save a driver who drives 15,000 miles a year about $850 annually on fuel. All-electric vehicles start to pay for themselves a long time before they reach the end of their expected lifespans, leading to savings over time. Stop by Barron Electric's office to test drive an all-electric Chevy Bolt today!
